Message & Delivery Channels

We tailor delivery based on each persona's preferred medium.

Frontline Staff (Persona A): Weekly email bulletins and visible office posters for quick, visual updates during their regular workflows.

Remote & Hybrid Workers (Persona B): Biweekly intranet pop-ups and monthly chatbot quizzes to reach employees dispersed across locations and reduce reliance on physical materials.

Managers & Department Leads (Persona C): Email bulletins supplemented with dashboard summaries on the intranet to provide metrics and high-level insights, alongside periodic lunch 'n' learn sessions.

IT & Security Staff (Persona D): Short, technical briefs via the chatbot and targeted workshop invites; live training ensures procedural alignment and efficient incident handling.

Deliverables

- Email Bulletins
- Office Posters
- Intranet Pop-ups
- Chatbot Quiz
- Lunch and Learn

Greetings

Did you know often times phishing emails contain urgency words? See the below example. By using phrases like “your account has been limited”, it aims to create a sense of urgency so that users will act without thinking.

From: support@paypa1.com

To allstaff@

Dear PayPal User,

You have received this email because of some unusual activity in your account. In accordance with PayPal’s User Agreement and to ensure that your account has not been compromised, access to your account was limited. Your account access will remain limited until this issue has been resolved.

SPOT THE SIGNS

Too good to be true?

Unreal offers, prizes, refunds

Too much negative tone?

Threats, suspension, penalties

Too many rewards?

Bonuses, winnings, exclusive deals

Phishing emails might use a combination of one or more of these.

THINK • PAUSE • VERIFY

Office Posters

Infographic will be posted as per guideline

Format - One-sheet flyers in common areas

Frequency: Quarterly

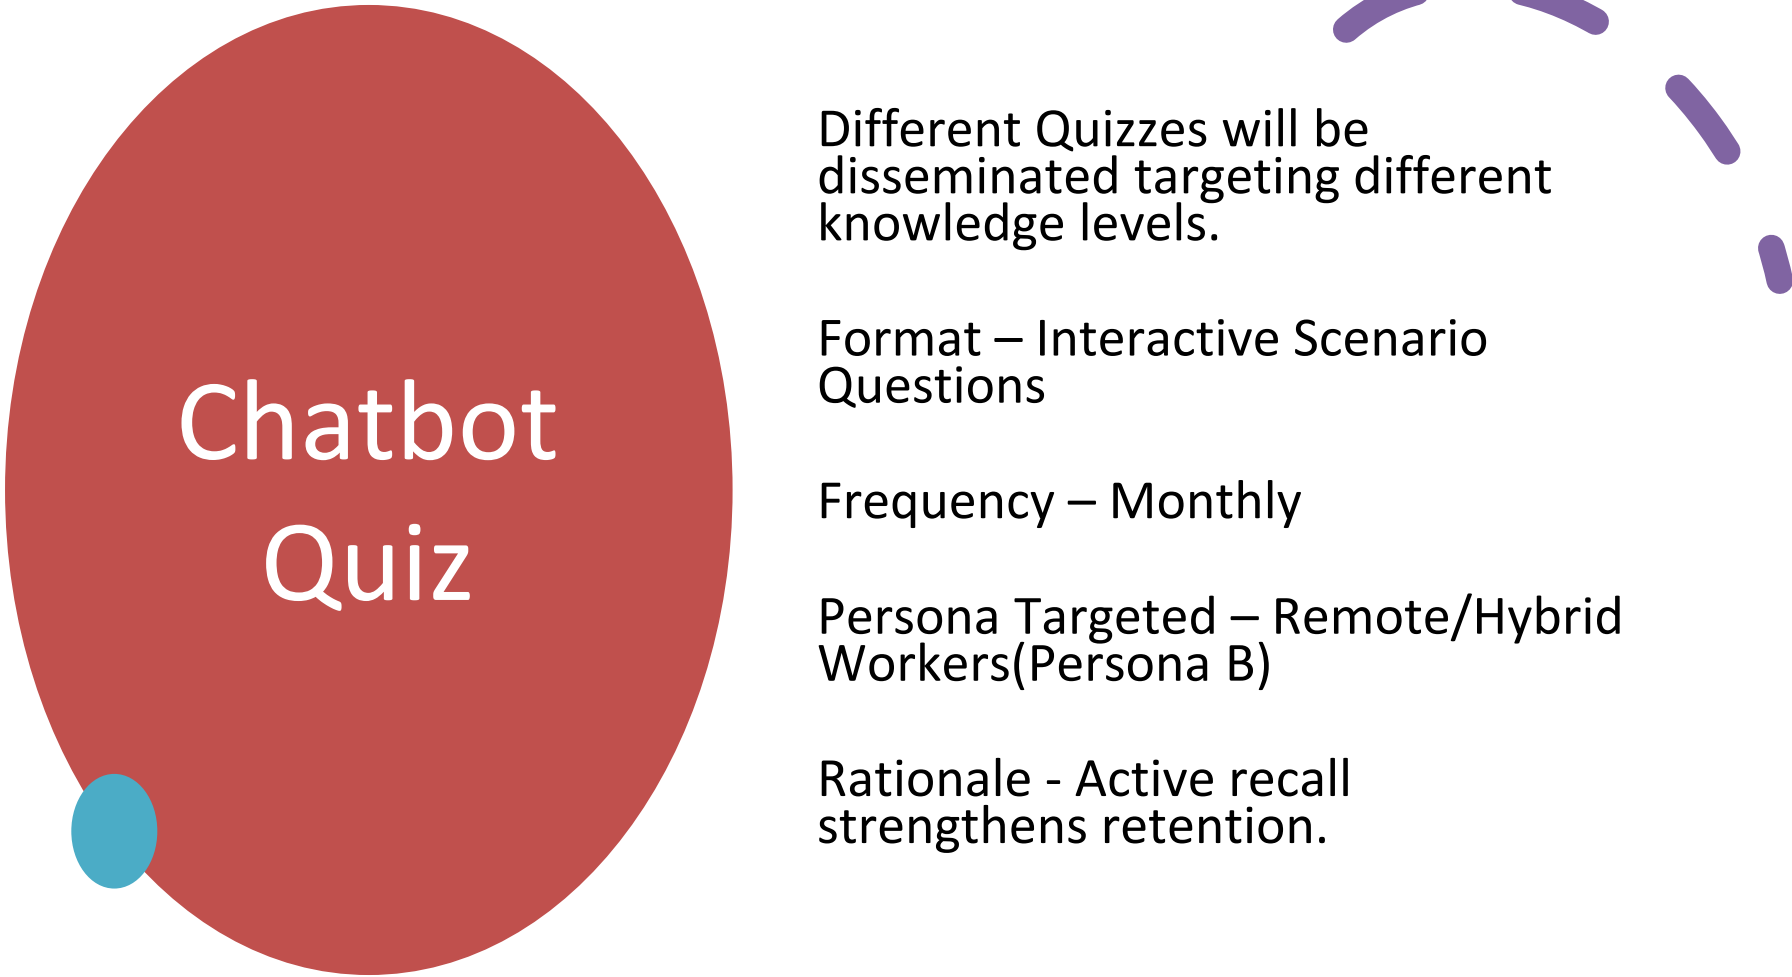

Target Persona: Everyone

Rationale: Passive reinforcement during daily routines.

Intranet Popups

Pop-ups will be shared across company platforms including HR sites, and department specific platforms

- -Format – 30 seconds animated explainer of different linguistic features
- Frequency – Biweekly (every Thursday)
- Persona Targeted - Remote Hybrid Workers(Persona B)
- Rationale – To engage visual learners in a concise manner

Chatbot Quiz

Different Quizzes will be disseminated targeting different knowledge levels.

Format – Interactive Scenario Questions

Frequency – Monthly

Persona Targeted – Remote/Hybrid Workers(Persona B)

Rationale - Active recall strengthens retention.

Lunch and Learn

15-minute live demo + q&a which will include experts from the field and member(s) of the pandas pact. It aims to allow hands-on practice and discussion.

Frequency : monthly
Target Persona: Managers & Department Leads

Success Metrics

- **Click-Through Reduction:** A 50% decrease in click-throughs on simulated phishing over 3 months.
- **Reporting Rate:** A 30% increase in flagged emails submitted to IT.
- **Open Rate:** A greater than 80% open rate for email bulletins.
- **Quiz Completion:** A greater than 60% of employees complete monthly chatbot scenarios.
